

Municipal Engineers Association Award 2026 Nomination Criteria and Form

Sponsor:

This award is sponsored by the Municipal Engineers Association.

Objectives:

The objective of the award is to recognize an Engineer (or Engineers forming a Project Team) who has provided outstanding service to society and the community, been recognized for work related accomplishments in an engineering project of above average merit, and/or have a record of long-term service.

Criteria:

1. The nominee(s) must be a current member of the Municipal Engineers Association.
2. All contributions will be considered but emphasis will be given to contributions made in Ontario.
3. The Engineer may have:
 - a) Served society and the community - given outstanding service to his/her community in a professional, as well as personal capacity, representing the interface between engineering and the public, and/or
 - b) Enhanced the image of municipal engineering in Ontario, and/or
 - c) Work-related achievements - been recognized for his/her accomplishment in an engineering project of above average merit in uniqueness or complexity: where the engineer has originated or overseen, or been recognized as the guiding influence of the project, and/or
 - d) Served the profession - a record of long-term service in the municipal engineering profession as a member of MEA.

Selection Committee and Award Distribution:

The Municipal Engineers Association Awards Committee will assess the nominations and make its recommendations to The MEA Board of Directors, who, in turn, will have final say on the award selections. The committee may also conduct its own research and make independent selections and recommendations for awards.

Awards will be presented during the MEA's 2026 Conference at the Awards Luncheon on November 11, 2026, at Universal Event Space in Vaughan. All award recipients will be advised in advance and will invited (along with a guest) to attend the event.

Nominations and Applications:

1. A nominee must have one nominator and one seconder.
2. All nominators and seconders must be engineers licensed under the Professional Engineers of Ontario (PEO). Nominators and Seconders do not have to be members of the Municipal Engineers Association.
3. Nominators must provide complete detail on their nominee. Individual statements from each nominator must include the reasons why the nominee should be considered for this award. Information supplied should be in enough detail so as to afford the selection committee a comprehensive assessment of the nominee.
4. Seconders need only supply the information requested in the Award Application.
5. Nominations will be received until midnight on ***September 11, 2026***.
6. Nomination submissions may be submitted in one of two ways:
 - a. Through an online submission via the MEA website:
