Job Description

Reporting to the Chief Materials Inspector, or designate, be responsible for providing technical evaluation and quality control of all construction materials and methods used on City contracts.

Responsibilities

- Conducting site inspections and pedological (soils) surveys and tests for the construction and design of new roads, subdivision services and reconstruction of existing roads
- Conducting specified tests on asphalt, soils, aggregates and concrete
- Conducting special investigations and preparing reports on various construction-related subjects
- Investigating, handling and responding to complaints related to construction
- Providing assistance and advice to construction field personnel
- Maintaining quality assurance checks on consultants' work related to soils analysis, granular and asphalt analysis and compaction results
- Setting up and maintaining a comprehensive inventory filing system
- Providing and performing various other services related to the materials inspection function

Requirements

- Demonstrated knowledge and skill of generally accepted civil engineering practices and procedures normally associated with the completion of a three year civil engineering technologist program at a recognized community college, plus a minimum of five (5) years relevant materials/construction inspection experience; or have an equivalent combination of education and relevant experience
- Certification as Concrete Technologist and Transportation of Dangerous Goods and current registration as a C.E.T. with OACETT is preferred
- Excellent mathematical, reasoning and analytical skills
- Demonstrated ability to work on own initiative in order to meet rigid deadlines
- Ability to work under pressure
- Good communication and organizational skills
- Physically fit and able to climb
- Able to walk over rough ground and work outdoors in all weather conditions
- Possess and maintain an Ontario Driver's Licence, minimum Class "G", in good standing, and pass the Corporation's tests for motor vehicle operation

As a condition of employment, the City of Oshawa will require successful candidates to undergo a Criminal Records and Judicial Matters Check.

Please apply online at: <https://oshawa.jobs.net/en-CA/search>

Please be advised that position location as noted is at the time of posting and is subject to change, as required due to operational needs.

We would like to thank all applicants however, please note that only those selected to attend an interview will be contacted and all other applicants will be kept on file. Applicants are advised that written, oral and practical testing may form part of the selection process.

We are an Equal Opportunity Employer in accordance with the Accessibility for Ontarians with Disabilities Act, 2005 and the Ontario Human Rights Code (OHRC). The City of Oshawa promotes the principles of diversity, equity and inclusion and adheres to the tenets of the Canadian Human Rights Act and the Ontario Human Rights Code.
