

NOTICE OF VACANCY

POSITION:	Project Engineer (Competition #2020-01)
LOCATION:	Public Works
EMPLOYMENT STATUS:	Permanent Full-time
REPORTING TO:	Supervisor of Engineering Services
WAGE RANGE:	\$44.45 – \$55.56/hr. (\$80,899.00 - \$101,119.20/annually)
UNION AFFILIATION:	Non-Union

POSITION SUMMARY:

Under the direction of the Supervisor of Engineering Services, organizes and directs the planning, design and construction of County infrastructure such as water and wastewater systems, roads, bridges, and buildings.

MINIMUM QUALIFICATIONS:

- Post-secondary education in Civil Engineering or a related discipline. Membership as a Professional Engineer with the Professional Engineers of Ontario is required.
- The Project Management Professional designation is an asset.
- Demonstrated progressive engineering experience with the design of water, wastewater, roads, and bridges.
- Knowledge of current standards, relevant legislation, statutes and regulations related to municipal engineering.
- Thorough and alert to details in project preparation and supervision to prevent financial loss to the County as a result of faulty or inadequate materials, construction practices or health and safety risks to employees or the public.
- Demonstrated ability to communicate effectively, including written reports, verbal presentations and computer technology. The ability to use AutoCAD to assist with drawing preparation would be an asset.
- Valid Ontario driver's license and a vehicle with insurance is required.

Resumes will only be accepted electronically via e-mail at: hr@oxfordcounty.ca

POSTED DATE: Monday January 6th, 2020

CLOSING DATE: Monday January 27th, by 4:00 p.m.

In accordance with the Municipal Freedom of Information and Protection of Privacy Act, resumes are only accepted in response to advertised vacancies and will be used for the purposes of determining eligibility for employment only. We appreciate all resumes, but only those selected for interviews will be contacted.
