Applicant's
Signature: _____ P.Eng.

Proof of "Named
Engineer" status
attached ☐

Submission: Please email completed form to support@municipalengineers.on.ca

NOTE:

Verification of status as a “named engineer” for a Municipality

This non-voting membership class is designed to cover Consultant Engineers who have been “named” to act on behalf of Municipalities in cases where they do not directly employ an engineer.

The MEA would request proof of this status by way of, for example a resolution of Council or a letter from the Clerk.

Annual renewal requires confirmation of continued status as “named engineer”.
