

**Supervisor, Development Engineering
Infrastructure & Planning Services/Planning
File #21-P-57**

Job Details

Provide leadership, co-ordinate and oversee the engineering review of development proposals including Plans of Subdivision, Official Plan and Zoning By-law amendments, Committee of Adjustment applications, site plans and City initiated industrial park and Airport developments; prepare and administer subdivision agreements; lead and/or provide engineering support to miscellaneous reports, special studies and analyses related to Planning Division capital projects.

Qualifications

Knowledge and experience normally associated with a bachelor's degree in civil engineering or a related field, is a Professional Engineer licensed with the Association of Professional Engineers of Ontario and has a minimum of 5 years' post – designation of progressively responsible professional experience. Requires demonstrated leadership and experience in successfully leading projects and teams through major capital projects, contract tendering and administration, advanced knowledge of engineering principles and standards, and related legislation; proven project management, planning, organizational, financial/budget management and problem solving skills. Must have well developed word processing, spreadsheet, and database skills as well as experience using MIDS, AMANDA, and CAD software technologies. Must be able to plan and organize work and analyze success of implementation, to earn respect, to communicate well, to gain co-operation of others, and to get along well with others. Must have excellent communication (verbal and written), negotiation, and project management skills; well developed public relation skills and proven leadership ability. Must be a team player with a commitment to quality customer service. Requires a driver's license to fulfil the requirements of the position and the ability to work extended hours, as required.

Salary

\$96,922.00-\$105,943.00
