York Region

WHO WE ARE

Recognized as a GTA Top Employer, one of Canada's Top Employers for Young People, one of Canada's Greenest Employers, one of Canada's Best Diversity Employers, as well as a Forbes Top Employer, The Regional Municipality of York is Canada's fastest growing region, with a population that is expected to grow to over 2 million by 2041. York Region stretches north from Toronto to Lake Simcoe and includes many hectares of protected Greenbelt. York Region's diversity is evident in its nine local cities and towns, geography, economic development, and population. York Region works to provide residents and businesses access to a broad selection of services and resources.

THE OPPORTUNITY

Reporting to the Supervisor, Technical Operations, is responsible for overseeing, inspecting, auditing, and administering waste management contracts that support operational programs for the Regional Waste Management System; ensuring compliance with contractual and regulatory requirements and obligations associated with obtaining and maintaining ISO certification; developing and implementing new contracts with consultants, contractors, and other Branches; and ensuring contractors are in compliance with health and safety policies and programs.

This is a Permanent Full Time role Starting rate: \$57.97 per hour

This is a unionized position with CUPE 905 York Region

WHAT WE OFFER

DEFINED BENEFIT PENSIONS PROGRAM - With the Ontario Municipality Employees Retirement System (OMERS) defined benefit pension plan, you can confidently retire knowing that you will have income for life. Eligibility from date of hire as a full-time employee and includes employer-matched contributions.

DISCOUNTS AND INCENTIVES - Enjoy corporate discounts from a variety of local businesses, such as, gyms and fitness studios, Canada's Wonderland, Telus or Rogers phone plans and the Personal or Cooperators insurance. Don't forget to take advantage of our Apple Employee Purchasing program!

EMPLOYER OF CHOICE - Recognized as the highest-ranking government employer in Canada and fourth overall among 300 organizations.

BENEFITS AND WELLNESS - A comprehensive employer-paid benefits plan includes extended health, dental and life insurance. Access to 24/7 Employee and Family Assistance Program (EFAP).

INCLUSIVE AND DIVERSE WORKPLACE - Creating an environment which recognizes and celebrates all dimensions of diversity and inclusion.

WHAT YOU BRING TO THE REGION

Successful completion of a University Degree in Engineering.

- Must be registered as a Professional Engineer (P. Eng.) with Professional Engineers Ontario.
- Minimum five (5) years' experience (inclusive of EIT experience) in the field of waste management or in the design, oversight or management of industrial or manufacturing processes.
- Valid Ontario Class "G" driver's license and reliable vehicle for use on corporate business.
- Demonstrated knowledge in current waste management technologies, processes, legislation, services and business practices or knowledge of contract management in waste management or a related field.
- Knowledge and demonstrated ability in corporate core competencies including customer focus, communication, collaboration and personal ownership.
- Knowledge of health and safety policies and procedures as it relates to waste management facilities and operations.
