

Posting For: City of London
Position: Division Manager, Water Operations
Position Type: Permanent, Full-time
File #: 1804

The Corporation of the City of London strives to foster a workplace in which all individuals maximize their potential, regardless of their differences. We are committed to attracting, engaging, developing and celebrating exceptional people in public service who are representative of our community.

Summary:

Reporting to the Director, Water, Wastewater and Stormwater, the Division Manager, Water Operations administers and is responsible for all matters relating to operation and maintenance of, and emergency response to, both the supply system and distribution system for potable water supply and fire protection in the City of London. This position ensures program development and implementation are consistent and compatible with short and long-term departmental planning and engineering objectives; and meets regulatory compliance requirements.

Qualifications/Experience:

- Completion of a University degree in Civil Engineering or Civil Engineering Technologist designation or in a relevant area of study or equivalent combination of education and related professional experience. Registered Professional Engineer, Province of Ontario or OACETT designation is an asset.
- A minimum of 10 years related experience including senior management responsibilities.
- Water Distribution (Level 4) and Water Treatment (Level 2) Certifications as per Provincial regulations are an asset.

Compensation/Other Information:

\$128,840 - \$169,295

This posting is for 1 permanent, full-time position.

Current hours of Work: Monday - Friday from 7:30 a.m. to 3:30 p.m.

Work Arrangement: On-site. Subject to change in accordance with business requirements.

These hours of work and work arrangements are subject to change in accordance with business requirements.

How to Apply:
